

CAPEA Rendering Request Sample Print

Label all enclosure members. (2x4, 2x5, etc...)
 Label all required measurements.
 (See Legend for instructions.)
 Identify Tie Beam or Arch Locations.
 Identify Column Locations.
 Main form is completed.

Legend:
Green Numbers: The height to the very top of the enclosure, not just the wall.

Blue Numbers: These numbers represent a center to center, outside to center, or outside to outside measurement, whichever is appropriate.
